

ST. ANNE'S DEGREE COLLEGE, VIRAJPET IQAC, NSS, YOUTH RED CROSS WING & NATURE CLUB

Report on Seed Ball making

14th September, 2019

Objective:

- To create awareness on Seed Ball making and Seed Bombing as a way to practice active reforestation.
- Students will learn a new method for dispersing seeds that is artistic & innovative.

The IQAC, NSS Unit, Youth Red Cross Wing and Nature club of the college had organised an awareness program on Seed ball making in collaboration with Muliya Jewellers, Gonikoppal in the college campus on 14th September, 2019. The resource person was Mr. Jaya Prakash, Manager, Muliya Jewellers, Gonikoppal. The students were explained about the making of seed balls and its role in vegetation. Around 240 volunteers from all the three units have participated. Twenty varieties of seeds were used to produce around 3000 seed balls by the volunteers. The program was presided over by Rev. Fr. Madalai Muthu, Correspondent, St. Anne's Degree College and Rev. Fr. Rony Ravi Kumar, Principal. The Program was organised by the Convenors of YRC, NSS and Nature Club. With the support by the management, staff members and students, the program turned a successful one.
